Subject:- Establishment of a toll-gate on Channapatna-Kalagur Road.

Sir,

I have the honour to state that the Government sanctioned the establishment of a toll-gate near Kalagur in Channapatna-Kalagur Road vide their order No.3493-502/I.I.35-27-16 dated 10-12-27. The Sub Division Officer, French Rocks, was requested to conduct the auction sale of the above toll-gate and report the result thereon. He reported that the auction was not very much contested inspite of the efforts made by himself, the Amildar and other Revenue Officers and that the highest bid was only for Rs.12/- per month. He further reported that the realisation would not fetch anything worth the labour and inconvenience caused to the cultivators thereby. A copy of his report is submitted herewith.

The District Board on 7th January 28 considered the above matter and resolved that "the toll-gate be abolished"(Resolution No.200).

On submitting herewith a copy of the above resolution, I request you will kindly obtain sanction of the Government for the Board's resolution in the matter.

I have the honour to be,

Sir,

Your most obedient servant,

President,

District Board of Mysore.

Subject- Newly sanctioned toll-gate near Malagur on Chennapatna-Malagur Road- Auction sales of the toll contract.

Reference- Memo No.971/L.D.27-28 dated 19-12-27 from the Deputy Commissioner and President District Board, Mysore District, asking me to conduct the auction sale of the above toll gate and to report the results.

Submitted to the Deputy Commissioner, Mysore District, with reference to the above.

As desired in the above memo, I conducted this toll-gate sale this afternoon at Malagur after reading and explaining the sale terms and notification, in detail. The day being also the Huzur Jamabandy day, there was a large gathering from the several parts of the Taluk Portion.

Only two persons (Linge Gowda and Mallikarjunaiah) paid the earnest money deposit of Rs 150/- each (required in the sale notification) and gave bids, inspite of the large Jamabandy gathering and of the strenuous efforts and inducements of myself, the Taluk Amildar and the Staff. There was no competition at all, the people being uncertain of the income of the gate and having had no desire for the toll-gate. Still with all our efforts the highest bid received is only Rs 12/-(monthly rental) of Linge Gowda. The required two month's rental deposit of Rs 12/- x 2 = 24 plus cesses of Rs 2-10-0 = Total 26-10-0/, was immediately paid by him. There being no treasury here, this amount has been brought on the miscellaneous Khatti of Malagur and given to patel Linge Gowda for being remitted to Treasury at Malavally tomorrow only. The sale patte with this note is herein enclosed for perusal. The earnest money deposit of each of these two bidders, viz Rs 300/- , has also been similarly brought on the miscellaneous Khatti of the Village and given to this patel Linge Gowda for remittance to Treasury tomorrow, and a note to this effect made in the sale patti.

It is now for orders whether this sale for a monthly rental of Rs 12/- is to be confirmed.

In this connection, I may state two points that are pressed on my

my attention by a large body of riots of these parts, during the sale and also during the Jamabandy this evening. The first is that the toll-gate itself would be a hardship and a handicap to the interests of the people, (there being no traffic either, worth the name, to justify the opening of a toll-gate) and that the toll-gate may kindly be cancelled. The people say that they were not consulted in the matter, and that there is no necessity for a toll-gate on this road. No recommendation either, seems to have been made on the Revenue side (by the Amildar or by this office) at any time, for the establishment of this toll-gate. From my local enquiries at the spot, I am convinced (along with the Amildar, now present with me) that this is after all an unknown road with little traffic, and that there is not sufficient justification for a toll-gate, and that in view of the petty sum realised to day, the toll-gate may be moved to be cancelled, with a large balance of advantage on all sides. The realisation for the toll-gate would be out of all proportion to the inconvenience caused, and would count very little to the District Board. The second point is that the cattle and manure and carts etc., going for cultivation purposes to the lands by the side of the road from Kolagur, having necessarily to pass by this road, an exemption from the levy of toll thereon may be provided, for the benefit of the cultivating riots. This is not without force altogether. Though these riots cannot lay claim to this exemption as a matter of right, they are entitled to consideration, from an agricultural point of view. If the toll-gate cannot be cancelled, a proviso for exemption of toll on the cattle and carts going to the roadside lands for cultivation purposes may be made.

Lastly, I may add that in case the toll-gate cannot be cancelled, it would be better to have it worked " Amani ", by the District Board, for this year, instead of confirming the present sale for Rs 12/- a month.

Requests very early orders in the matter.

The connected papers (i.e., sale notification and toll-schedule copy, and the Istihar publication and the sale patte) accompany.
